PROXY STATEMENT

QAD's board is using this proxy statement to solicit proxies from the holders of QAD Inc. common stock to be used at the annual meeting of stockholders. This meeting will be held on June 8, 2000 at 10:00 a.m. Pacific Time. We are first mailing this proxy statement and the accompanying form of proxy to QAD stockholders on or about May 5, 2000.

MATTERS RELATING TO THE ANNUAL MEETING:

Time and Place:	June 8, 2000 10:00 a.m. Pacific Time Fess Parker's DoubleTree Resort 633 East Cabrillo Street Santa Barbara, California 93103
Record Date:	April 10, 2000
Outstanding Shares Held on Record Date:	33,256,095 shares of common stock
Shares Entitled to Vote:	33,060,372 shares of common stock (excludes 195,723 shares held in QAD's treasury)
Quorum Requirement:	A quorum of shareholders is necessary to hold a valid meeting. The presence in person or by proxy at the meeting of holders of shares representing a majority of the votes of the common stock entitled to vote at the meeting is a quorum. Abstentions and broker "non-votes" count as present for establishing a quorum. Shares held by QAD in its treasury do not count toward a quorum. A broker non-vote occurs on an item when a broker is not permitted to vote on that item without instruction from the beneficial owner of the shares and no instruction is given.
Shares Beneficially Owned by QAD Officers and Directors on April 10, 2000:	21,524,442 shares of common stock, including exercisable options. These shares represent in total approximately 65% of the voting power of QAD's common stock. These individuals have indicated that they will vote in favor of the proposals recommended by QAD's board.
Annual report:	The annual report to stockholders that accompanies this proxy statement is not proxy soliciting material. If you would like an additional copy, please contact QAD at the address set forth below for company contact.
Company contact:	You may contact QAD for additional information or copies of the annual report by mailing us at:

Or telephoning us at: (805) 566-4445.

THE PROPOSALS:

- ITEM I: To elect two directors to hold office until the annual meeting of stockholders in the year 2003 (Class II directors).
- ITEM II: To ratify the appointment of KPMG LLP as QAD's independent auditors for QAD's 2001 fiscal year.
- ITEM III: To conduct other business if it is properly raised.

VOTE NECESSARY TO APPROVE THE PROPOSALS:

- ITEM I, Election of Directors: Directors are elected by a plurality of the votes represented by the shares of common stock present at the meeting in person or by proxy.
- This means that the director nominees with the most affirmative votes are elected to fill the available seats. Only the number of votes "FOR" affect the outcome. Withheld votes and abstentions have no effect on the vote.
- Because two directors are up for election, the two nominees with the greatest number of votes will be elected to fill the vacancies.

- ITEM II, Ratification of independent auditors: Ratification of the selection of KPMG LLP as QAD's independent auditors for the 2001 fiscal year requires a majority of the votes cast by holders of the common stock. Abstentions have no effect on the vote.

Under New York Stock Exchange rules that govern most brokers, if your broker holds your shares in its name, your broker is permitted to vote your shares on Items I and II even if it does not receive voting instructions from you.

The stockholders have no dissenters or appraisal rights in connection with any of Items I or II.

2

PROXIES

Voting Your Proxy. You may vote in person at the meeting or by proxy. We recommend you vote by proxy even if you plan to attend the meeting. You can always change your vote at the meeting.

Voting instructions are included on your proxy card. If you properly give your proxy and submit it to us in time to vote for one of the individuals named as your proxy, we will vote your shares as you have directed. You may vote for or withhold authority to vote for QAD's director nominees. You may also vote for or against the other proposals or abstain from voting.

If you submit your proxy but do not make specific choices, your proxy will follow the board's recommendations and vote your shares:

- "FOR" the election of the two director nominees;

- "FOR" the ratification of KPMG LLP as the independent auditors for QAD's 2001 fiscal year;
- "FOR" any proposal by QAD's board to adjourn the annual meeting; and
- In its discretion as to any other business as may properly come before the annual meeting.

REVOKING YOUR PROXY. You may revoke your proxy before it is voted by:

- submitting a new proxy with a later date
- notifying the company's Secretary in writing at the address on the second page of this proxy statement before the meeting that you have revoked your proxy, or
- voting in person at the meeting.

VOTING IN PERSON. If you plan to attend a meeting and wish to vote in person, we will give you a ballot at the meeting. You may be requested to present documents for the purpose of establishing your identity. In addition, if your shares are held in the name of your broker, bank or other nominee, you must bring an account statement or letter from the nominee indicating that you are the beneficial owner of the shares on April 10, 2000, the record date for voting.

PEOPLE WITH DISABILITIES. We can provide reasonable assistance to help you participate in the meeting if you tell us about your disability and your plan to attend. Please call or write the Secretary of the company at least two weeks before the meeting at the number or address on the second page of this proxy statement.

CONFIDENTIAL VOTING. Independent inspectors count the votes. Your individual vote is kept confidential from us unless special circumstances exist. For example, a copy of your proxy card will be sent to us if you write comments on the card.

PROXY SOLICITATION. We will pay our own costs of soliciting proxies. In addition to this mailing, QAD employees may solicit proxies personally.

The extent to which these proxy soliciting efforts will be necessary depends entirely upon how promptly proxies are submitted. You should send in your proxy without delay. We also reimburse brokers and other nominees for their expenses in sending these materials to you and getting your voting instructions.

OTHER BUSINESS; ADJOURNMENTS

We are not currently aware of any other business to be acted upon at the meeting. If, however, other matters are properly brought before the meeting, or any adjourned meeting, your proxies will have discretion to vote or act on those matters according to their best judgment, including adjourning the meeting.

3

Adjournments may be made for the purpose of, among other things, soliciting additional proxies. Any adjournment may be made from time to time by approval of the holders of shares representing a majority of the votes present in person or by proxy at the meeting, whether or not a quorum exists, without further notice other than by an announcement made at the meeting. We do not currently intend to seek an adjournment of our meeting.

ELECTION OF DIRECTORS (ITEM I)

Under QAD's certificate of incorporation, the board of directors is divided into three classes of directors, with each class having a number of directors as nearly equal in number as possible and with the terms of each class expiring in a different year.

The members of the board serve for three years. The terms of office of the members of one class of directors expire each year in rotation so that the members of one class are elected at each annual meeting for full three-year terms. The term of office of only two of the present directors will expire at this annual meeting.

Two directors have been nominated for election to three-year terms expiring at the annual meeting in 2003. The terms of the other directors will continue as indicated below.

The ages of directors are as of April 10, 2000.

The board recommends you vote FOR the two nominees listed below.

Valid proxies received will be voted, unless contrary instructions are given, to elect the two nominees named in the following table to Class II of the board of directors. Should any nominee decline or be unable to accept the nomination to serve as a director, an event that we do not currently anticipate, your proxy will have the right, in their discretion, to vote for a substitute nominee or nominees designated by the board of directors, to the extent consistent with QAD's certificate of incorporation and its bylaws.

NOMINEES FOR DIRECTOR

The nominees for director to be elected by the stockholders are currently members of the board. If elected, the nominees will hold office until the annual meeting of stockholders in 2003, and until his or her successor is duly elected and qualified. The following table sets forth information about the two nominees who are standing for election at the 2000 annual meeting.

A.J. ("BERT") MOYER

Mr. Moyer served as Executive Vice President and Chief Financial Officer for QAD from March 1998 until February 2000. He presently serves as president of the commercial division of the Profit Recovery Group International, Inc. Prior to joining QAD, Mr. Moyer served as Chief Financial Officer of Allergan, a

specialty pharmaceutical company based in Irvine, California. Mr. Moyer received his Bachelor of Science degree in Business Administration from Duquesne University. In 1973, he graduated from the Advanced Management Program at the University of Texas, Austin.

COMPENSATION OF DIRECTORS

QAD employees receive no extra pay for serving as directors. Directors are reimbursed for direct expenses relating to their activities as members of the board of directors. Pursuant to our 1997 Stock Incentive Program, directors are eligible to participate in the Nonqualified Stock Option Plan and directors who are not employees may participate in the Non-Employee Director Stock Option Plan. Upon joining QAD in 1997, Mr. Koh and Mr. van Cuylenburg each were granted by the board of directors a nonqualified stock option for 15,000 shares of common stock. QAD also granted to Mr. Koh and Mr. van Cuylenburg a nonqualified stock option for 7,500 shares each in fiscal 1999. The grant date of the first 15,000-share option to each director was the date of the director's appointment to the board of directors or their retention as a consultant, whichever was earlier. The grant date of the second option was the first anniversary of the director's appointment as a director. QAD has also granted to Mr. Koh and Mr. van Cuylenburg a nonqualified stock option for 7,500 shares each in fiscal 2000, on the second anniversary of each director's appointment. All of the options vest in four equal installments on each of the first through fourth anniversaries of the respective grant dates. QAD intends to continue to make appropriate awards under the 1997 Stock Incentive Program to each non-employee director upon election to the board.

6

In October 1998, QAD's board adopted a stock grant plan to supplement stock option grants to non-employee directors. The plan provides that each non-employee director be granted 7,500 shares annually, in four quarterly installments of 1,875 shares each. The installments are made at the beginning of each calendar quarter, subject to each non-employee director purchasing at least a corresponding number of shares in the open market. For every share purchased, one share will be granted, up to 1,875 shares per quarter. A director may cumulate the rights under the plan for up to three-quarters per year, but all purchases must occur before the end of each year of the plan. In addition, each non-employee director must agree that the shares purchased or granted will be held for three years from the purchase date. If non-employee director's status is terminated prior to the expiration of the three-year period, except for death or a change in control of QAD, the shares which were granted will be forfeited to QAD, but the shares that had been purchased would continue to be owned by the non-employee director. The plan commenced as of the fiscal quarter beginning November 1, 1998 and ended October 31, 1999. During the time the plan was in effect, both Mr. Koh and Mr. van Cuylenburg purchased 7,500 shares each and were granted a corresponding 7,500 shares as provided under the plan. At the February 4, 2000 Board meeting, the disinterested directors approved a renewal of the plan effective as of October 8, 1999 for a period of one year with certain revisions. The revisions exclude directors who hold or manage a share position in QAD of more than 5% of the outstanding shares. As of April 10, 2000 Mr. van Cuylenburg purchased 7,500 shares and was granted the corresponding 7,500 shares as prescribed under the renewal of the plan. At the end of that year the directors who do not participate in the plan will evaluate the effectiveness of the plan to determine whether it should be renewed or revised.

BOARD OF DIRECTORS

During fiscal 2000, the board of directors held four regularly scheduled and special meetings and acted by unanimous written consent on four occasions. During fiscal 2000, all directors attended at least seventy-five percent (75%) of the meetings of the board and of the meetings of committees of the board of which they were a member (except for Mr. van Cuylenburg who missed one of two compensation committee meetings). In addition to attending meetings, directors also discharge their responsibilities by review of company reports to directors, visits to company facilities, and correspondence and telephone conferences with executive officers and others regarding matters of interest and concern to QAD.

BOARD COMMITTEES

The board appoints committees to help carry out its duties. In particular, board committees work on key issues in greater detail than would be possible at full board meetings. Each committee reviews the results of its meetings with the full board.

AUDIT COMMITTEE

The audit committee is composed of the following directors:

Mr. van Cuylenburg (Chair)
Mr. Koh
Mr. Lipkin
Mr. Lopker (ex officio)

The audit committee met on four occasions during fiscal 2000. The committee is responsible for accounting and internal control matters. The audit committee:

- reviews with management, the internal auditors and the independent auditors, policies and procedures with respect to internal controls;

7

- reviews significant accounting matters;
- approves the audited financial statements prior to public distribution;
- approves any significant changes in accounting principles or financial reporting practices;
- reviews independent auditor services; and
- recommends to the board of directors the firm of independent auditors to audit QAD's consolidated financial statements.

In addition to its regular activities, the committee is available to meet on call of the independent accountants, controller or internal auditor whenever a special situation arises.

COMPENSATION COMMITTEE

The compensation committee is composed of the following directors:

Mr. Moyer (Chair)
Mr. van Cuylenburg
Mr. Koh
Mr. Lopker

The compensation committee (including for purposes of administering the QAD Inc. 1997 Stock Incentive Program) met on two occasions and acted by written consent on one occasion during fiscal 2000. The compensation committee:

- recommends to the board of directors the compensation and cash bonus opportunities based on the achievement of objectives set by the compensation committee with respect to our chairman of the board and president, our chief executive officer and the other executive officers;
- administers QAD's compensation plans for the same executives;
- determines equity compensation for all employees;
- reviews and approves the cash compensation and bonus objectives recommended by the chairman of the board and president and the chief executive officer for the other executive officers; and
- reviews various matters relating to employee compensation and benefits.

Mr. Lopker is recused from all matters involving QAD's chairman of the board and president and the chief executive officer and he does not participate in approving grants or awards under the QAD Inc. 1997 Stock Incentive Program to persons who are subject to Section 16 of the Exchange Act. A sub-committee of the compensation committee composed of Messrs. Koh, Moyer and van Cuylenburg, administers, and makes all ongoing determinations concerning matters relevant to grants or awards under the stock incentive program to persons who are subject to Section 16 of the Exchange Act.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. van Cuylenburg, Koh, Moyer and Lopker currently are members of the compensation committee. Mr. Lopker is the chief executive officer of QAD. No other interlocking relationships exist between the compensation committee and

the board of directors or compensation committee of any other company, nor has any such interlocking relationship existed in the past.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The compensation committee believes that the compensation levels of QAD's executive officers, who provide leadership and strategic direction, should consist of (i) base salaries that are

8

commensurate with executives of other comparable software companies and (ii) cash bonus opportunities based on achievement of company objectives. These objectives are set by the compensation committee with respect to the chairman and president, and chief executive officer, and they are set by the chairman and the chief executive officer, in consultation with the compensation committee, for the other executive officers. The compensation committee also believes that it is important to provide executive officers with significant stock-based incentive compensation, which increases in value in direct correlation with improvement in the performance of the common stock, thereby aligning management's interest with those of the stockholders.

The compensation committee considers the following factors (ranked in order of importance) when determining compensation of executive officers: (i) QAD's performance measured by attainment of specific strategic objectives and operating results; (ii) the individual performance of each executive officer, including the achievement by the executive (or the executive's functional group) of identified goals; and (iii) historical cash and equity compensation levels.

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to a publicly-held company for compensation in excess of \$1,000,000 paid to the company's chief executive officer and its four other most highly compensated executive officers, unless the plan and awards pursuant to which any portion of the compensation is paid meet certain requirements. The QAD Inc. 1997 Stock Incentive Program includes provisions that will enable QAD to meet those requirements if it becomes necessary. Because the compensation committee has not yet been and does not anticipate being faced in the near future with compensation levels that are affected by Section 162(m), the compensation committee has not yet determined that meeting those requirements will necessarily be in the best interest of QAD.

CASH COMPENSATION

The base salaries of the executive officers are generally set at the time of their initial hiring, subject to possible increases in future periods at the discretion of QAD.

As stated above, the compensation of executive officers is also based in part upon corporate performance, individual performance and comparative industry compensation levels. Each year, management establishes a performance plan with the compensation committee. The annual plan sets forth overall goals to be achieved by QAD, as well as specific performance goals to be achieved by each of its executive officers according to his or her duties and responsibilities.

For fiscal 2000, the compensation committee set the overall corporate goals to focus exclusively on QAD's financial performance. The financial performance criteria were and the bonus eligibility for achievement of the overall corporate goals were weighted as follows:

- revenue--40%;
- operating profit--40%; and
- the accounts receivable collection period--20%.

QAD did not meet the targets for revenue, operating profit and the accounts receivable collection period criteria established by the committee for fiscal 2000. QAD did meet the threshold revenue and the accounts receivable collection period goals established by the committee for fiscal 2000. As such, only 50% of the bonus under this aspect of the bonus program was paid to the executives covered by the program. Some bonuses were also paid to executives based on individual performance goals for fiscal 2000.

Bonus compensation for each of the executive officers named in the table that follows was determined based on a formula that tied the target bonus

objective (which in most instances is established as a percentage of base salary) to the achievement by QAD of the overall corporate goals

9

described above (not all of which were met in fiscal 2000) and to the achievement of specified individual or functional area goals. Under this formula, the executive officers' bonus amounts could be greater or less than the target bonus objective based on QAD's and the executives' performance against such goals. Ms. Lopker and Mr. Lopker do not participate in a bonus plan and thus received no bonus. The other executives whose bonus was tied to both corporate and individual goals received the following bonuses: Mr. Armagnac \$36,400, Mr. Moyer \$56,800, Mr. Niedzielski \$45,360, and Mr. Anderson \$26,100. On average, the compensation committee believes the cash compensation for the executive officers is comparable to industry salary and bonus levels.

EQUITY COMPENSATION

The compensation committee or a subcommittee consisting of the non-employee members of the compensation committee administer and authorize all grants and awards made under the 1997 Stock Incentive Program. In some instances, awards are authorized for new employees as incentives to join QAD. In determining whether and in what amount to grant stock options or other equity compensation to executive officers in fiscal 2000, the program administrators considered the amount and date of vesting of currently outstanding incentive equity compensation granted previously to each of the executive officers. The compensation committee believes that continued grants of equity compensation to key executives is an important tool to retain and motivate exceptionally talented executives who are necessary to achieve our long-term goals, especially at a time of significant competition and other challenges in our industry.

During fiscal 2000, the non-employee members of the compensation committee approved grants of equity compensation to the executive officers named in the Summary Compensation Table below, and the committee also approved grants of equity compensation to other executive officers, consistent with the board of directors' and the compensation committee's overarching policy of granting equity compensation to key executives and to employees in general.

- (1) All granted options vest in four annual increments, 25% on each of the first through fourth anniversaries of the date of grant, and expire in eight years.
 - (2) The fair value of each option grant is estimated on the date of grant using the Black-Scholes model of option valuation to determine grant date fair value, as prescribed under Statement of Financial Accounting Standards No. 123 (SFAS No. 123), Accounting for Stock-Based Compensation, with the following assumptions:

Expected stock price volatility.....	79%
Risk-free interest rate.....	6.3%
Expected life of options.....	6.5 years
Expected dividend yield.....	0.00%

QAD's stock options currently are not transferable, and the actual value of the stock options that an employee may realize, if any, will depend on the excess of the market price on the date of exercise over the exercise price. There is no assurance the value realized by an executive will be at or near the value estimated by the Black-Scholes model. We have based our assumption for stock price volatility on the variance of monthly closing prices of our stock from its initial public offering date to the present. The risk-free interest rate used equals the average yield on ten-year zero coupon U.S. Treasury issues for fiscal year 2000. No discount was applied to the value of the grants for non-transferability, and risk of forfeiture was accounted for in the expected life of the options.

- (3) Represents the combined percentage for all grants.

- (1) Represents the difference between the option exercise price and the market price of QAD common stock at the fiscal year-end. The actual gain, if any, an executive realizes will depend on the market price of QAD stock at the time of exercise. "In-the-money" means the market price of the stock is greater than the exercise price of the option on the date specified.

EMPLOYMENT AGREEMENTS AND CHANGE OF CONTROL ARRANGEMENTS

Each of Mr. Moyer and Mr. Anderson has or had severance agreements that provide for the payment to them of an amount equal to six months' salary in the event of a termination of their employment with QAD. Each of the executive officers has or had a change of control agreement that provides for acceleration of vesting in their options and the payment to them of an amount equal to either 24 or 12 months' salary in the event of a termination of their employment with QAD following a change of control.

CERTAIN TRANSACTIONS

In connection with the hiring of Barry R. Anderson in fiscal 1998, QAD lent him \$77,728. The loan is subject to forgiveness over a three-year period, provided Mr. Anderson remains employed by QAD. \$25,900 of the principal of the

loan was forgiven in each of fiscal 1999 and fiscal 2000. In connection with the hiring of Mr. Moyer in fiscal 1999, QAD awarded 20,000 restricted shares to Mr. Moyer. The restricted shares vest over three years. Later in fiscal 1999, QAD granted Mr. Moyer a loan of \$50,000 in connection with the expansion of his responsibilities. The loan was subject to forgiveness over a six-month period, provided Mr. Moyer remained employed by QAD. The entire amount of principal and interest was forgiven in fiscal 2000.

STOCK OWNERSHIP OF DIRECTORS, EXECUTIVE OFFICERS AND CERTAIN BENEFICIAL OWNERS

These tables show how much QAD common stock each executive named in the Summary Compensation Table on page 11 and each non-employee director owned on April 10, 2000. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to options held by that person that are currently exercisable or become exercisable within 60 days following April 10, 2000 are deemed outstanding. Such shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, the persons and entities named in the table have sole voting and sole investment power with respect to the shares set forth opposite the stockholder's name.

All shares held by the Lopkers are held jointly by Pamela and Karl Lopker, except that 701,618 shares are held in trust for the Lopkers' minor children and 12,000 shares are held in a charitable remainder trust. Pamela and Karl Lopker act as joint trustees of the charitable remainder trust. An additional 244,500 shares are held by a charitable foundation of which the Lopkers are officers. All

shares held by Mr. Lipkin are held by Recovery Equity Investors II, L.P. (REI). Mr. Lipkin is a general partner of REI.

STOCKHOLDER RETURN PERFORMANCE GRAPH

The line graph below compares the yearly percentage change in the cumulative total stockholder return on QAD's common stock with the cumulative total return of the NASDAQ Composite Total Return Index and the Robertson Stephens (RS) Software Index (previously known as the BancAmerica Robertson Stephens (BARS) Software Index) for the period beginning August 5, 1997 and ending January 31, 2000. The graph assumes that \$100 was invested on the date of QAD's initial public offering and that all dividends were reinvested. Historic stock price performance should not be considered indicative of future stock price performance.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires QAD's officers and directors and persons who own more than 10% of the common stock to file reports of ownership and changes in ownership with the SEC and Nasdaq. Reporting persons are required by SEC regulations to furnish QAD with copies of all Section 16(a) forms they file. Based solely on a review of the copies of those forms received or written representations from persons subject to the reporting requirements of Section 16(a), we believe that, with respect to the fiscal year ended January 31, 2000, all reporting persons complied with all applicable filing requirements of Section 16(a), except for Pamela and Karl Lopker, who each filed three Form 4's late that involved three transactions in total and Mr. Armagnac who filed his Form 3 late upon being appointed an executive officer of QAD. Two of the Lopkers transactions involved the transfer of shares to the trusts for the Lopker's minor children. The other transaction was de minimis in nature.

RATIFICATION OF INDEPENDENT AUDITORS
(ITEM II)

The audit committee of the board has appointed KPMG LLP to audit our financial statements for fiscal year 2001. We are asking you to ratify that appointment. KPMG has been QAD's independent accounting firm for many years, and we believe they are well qualified for the job. Although the ratification is not required by law, the board believes that stockholders should be given this opportunity to express their views on the subject. While not binding on the board, the failure of the stockholders to ratify the appointment of KPMG as QAD's independent auditors would be considered by the board and the audit committee in determining whether to continue the engagement of KPMG. A KPMG representative will be at the annual meeting to answer appropriate questions and to make a statement if he or she desires.

The board recommends you vote "FOR" this proposal.

STOCKHOLDER PROPOSALS

Any stockholder proposal for QAD's annual meeting in 2001 must be sent to the Secretary at the address of QAD's principal executive office given under "company contact" on page 2. Any stockholder who wishes to present a proposal for the inclusion in the proxy statement for action at the 2001 annual meeting must comply with QAD's certificate of incorporation and bylaws and the rules and regulations of the SEC then in effect. The deadline for receipt of a proposal to be considered for inclusion in QAD's proxy statement is January 15, 2001. On request, the Secretary will provide detailed instructions for submitting proposals.
